BUILDING SAFETY CERTIFICATE

No. 631

Dated : 11-02-2019

This is to certify that school building of Yugantar Public School,
G. E. Road, Rajnandgaon. (Name & Address of the
school/Institute) has been architecturally designed in such a way with
proper provision for R.C.C. column, beams, angles and canopies that
the complete school building is strong enough to face any natural
calamity like storm and earth quake as the place is in zero earth quake
zone. The expected life of the building is more than 50 years.
